Sir:

In an Office Action dated 19 February 1998, the Examiner rejected Claims 1-3, 9-12, 25, and 26, and objected to Claims 4-8. These are all the pending claims. In this reply, Applicants cancel Claims 1-12, submit new Claims 27-41, submit a declaration under 37 C.F.R. §1.131, and make remarks to overcome the rejections and objections.

Enclosed with this amendment are additional publications, cited on a Form 1449, for consideration by the Examiner. Applicants include an authorization for the fee specified in 37 C.F.R. §1.17(p) to obtain consideration of the newly-cited references under 37 C.F.R. §1.97(c).

Also enclosed with this amendment is a petition for an extension of time under 37 C.F.R. §1.136(a). The petition authorizes the Office to charge the fee for a three-month extension under 37 C.F.R. §1.17 to Deposit Account No. 05-0840 in the name of Eli Lilly and Company. Applicants respectfully request consideration of this reply.
